An invitation to train with us

Hemodialysis Nurse Training Program · For Registered Nurses

We would like to invite you to join the **Hemodialysis Nurse Training Program** of St. John Biocare — a registered foundation caring for patients with kidney failure across Metro Manila and Bulacan since 2011. Over **six weeks**, our senior renal nurses and clinical leads will build your hemodialysis skills from the ground up; no prior dialysis experience is required. Classroom lectures are paired with supervised, hands-on exposure in a working dialysis unit, so you finish genuinely ready to care for patients. On successful completion you receive a **Certificate of Training**, and many of our graduates go on to join the St. John Biocare family.

NEXT BATCH — NOW ENROLLING

20 July – 28 August 2026

6 weeks · Monday to Friday

8:00 AM – 4:00 PM
